

LIFE STORIES, MADE WITH CARE.

HYSTON PTY LTD | Melbourne • Chongqing

A creative and AI-assisted production business developing an editorial life-story partnership.

WHO THIS IS FOR

Funeral directors, memorial-media producers, biographers, interviewers and living-legacy teams.

INDICATIVE PILOT DELIVERABLES

- **Life Book:** an edited biography, typically scoped at 12–24 pages, delivered as PDF. Print quoted separately.
- **Life Film:** an editorial short film, typically scoped at 3–6 minutes, delivered as MP4. Music, narration and revisions agreed first.
- **Family Archive:** organised source files and a readable index. Hosted accounts and ongoing storage are not part of this website or an automatically included service.
- Living-legacy interviews can be scoped separately. English–Chinese editorial work can be included by agreement.

PARTNERSHIP MODELS

- **Referral:** a permission-based introduction, with direct production contracting where agreed.
- **Co-branded or white-label:** retain your client relationship; responsibilities and subcontracting stay transparent.
- **Production or channel:** combine existing filming, interview, writing or funeral-director relationships with agreed HYSTON production support.

PROCESS

01

Agree

Permissions, audience, deliverables, budget and authorised contact.

02

Collect

Materials through a separately agreed transfer channel.

03

Edit

Approved AI assistance and human fact-checking/editing.

04

Approve

Family review and approval before release or wider sharing.

5. Deliver agreed files, source index and written retention/handover arrangements.

EDITORIAL AND DATA PRINCIPLES

- No invented life events. Uncertainty is labelled.
- No cloned voices, talking avatars or simulated messages in this pilot.
- Family materials are not to be used for model training; provider terms and settings must be checked before processing.
- Public display, portfolio use and social publishing require separate approval.
- Rights, access, retention, deletion, export and any hosting term must be defined in writing. No promise of permanent storage or perfect restoration.

COMMERCIAL TERMS

Scope and fees are agreed per project. No standard revenue share, guaranteed margin or published fixed retail package is being offered. Timing depends on complete materials, permissions and review. Any integration, onboarding, hosting or exclusivity has a separate written scope.

FIRST STEP

A short exploratory conversation about your workflow and one possible pilot. No booking payment is collected through the website. Do not send family photos, medical records, identity documents or private life histories with an initial enquiry.
